

**CONFIDENTIALITY AND ACCESS TO INDIVIDUALIZED EDUCATION PROGRAMS, INDIVIDUALIZED EDUCATION SERVICES PROGRAMS AND SERVICE PLANS**

The Board of Education recognizes the importance of ensuring the confidentiality of personally identifiable data pertaining to a student with a disability. Personally identifiable data will not be disclosed by any school district employee or member of a CSE/CPSE to any person (other than the parent of such student), organization or agency unless the parent or guardian of the child provides written consent; there is a valid court order for such information; or disclosure is permitted by law.

Personally identifiable data is defined in the policy on Student Records, 5500.

The Board of Education, while acknowledging the confidentiality requirement, believes that in order for each student with disabilities to receive the full benefit of his/her Individualized Education Program (IEP), Individualized Education Services Program (IESP) or Service Plan (SP), individuals responsible for implementing the program or plan must, prior to the implementation, fully understand the scope of their responsibility and the specific accommodations, modifications and supports to be provided.

To this end, this policy establishes procedures to ensure that any person having both direct contact with a student with an IEP, IESP or SP and a responsibility to provide a service, accommodation or program modification for the student in accordance with that student's IEP, IESP or SP shall be informed of his/her responsibilities under the IEP, and shall receive or have access to a copy of the student's IEP, IESP or SP.
