

**PROVISION OF SPECIAL EDUCATION SERVICES
IN THE LEAST RESTRICTIVE ENVIRONMENT**

The Board of Education recognizes its responsibility to ensure that students with disabilities eligible for special education programs and services under the IDEA and Article 89 of New York's Education Law receive those services in the least restrictive environment appropriate to meet their individual educational needs.

To fulfill its responsibility to educate students with disabilities in the least restrictive environment, the district will implement the provisions of section 200.6 of commissioner's regulations.

The Superintendent will establish a process for ensuring that the CSE or CSE subcommittee Chairperson, as appropriate, obtains an up-to-date copy of those provisions at the beginning of each school year, and copies of any amendments that become effective during the school year.

The Board also recognizes that the least restrictive environment requirements established by applicable law and regulations also extend to nonacademic settings. Therefore, the district will provide students with disabilities the opportunity to participate with non-disabled students in school-sponsored co-curricular and extracurricular activities, to the maximum extent appropriate to each individual student's needs. The district also will provide students with disabilities with supplementary aids and services the CSE or CSE subcommittee, as applicable, determines to be appropriate and necessary for the students to participate in such activities.
