Dear Board of Education:

I am requesting permission for our boys' varsity baseball team to travel to Myrtle Beach to participate in the Mingo Bay Baseball Classic. The team is scheduled to travel south on the weekend of April 17, 2010 and return the following weekend April 24, 2010. The team is scheduled to begin playing their games on Monday April 19th and conclude on Friday April 23rd.

The purpose of this trip is to expose our student athletes to the experience of traveling together as a team, tentatively visit some of the local colleges, build camaraderie and team cohesion, have fun and continue to develop friendships that will last a lifetime.

Please consider our request. Our boys know that this trip is a privilege and promise to conduct their behavior in a positive manner representing their parents, coaches, school district, themselves and their community.

Sincerely,

Scott H. Williams
Director of Physical Education and Athletics
