MOTION CARRIED

**President's Remarks**

President Lynch welcomed everyone to tonight's meeting. He stated that Board Member Jim Jacobus and Student Representative Daniel Strack are unable to attend tonight's meeting.

**Agenda Changes**

President Lynch stated there will be an Executive Session to approve CSE/CPSE recommendations and to discuss a personnel issue.

**Questions and Comments from the Public**

There were no questions or comments from the public.

**Awards, Honors and Recognition**

Superintendent Ralph Marino recognized the following honors and achievements:

- The Staff at Gardner Road Elementary School and Student Services Staff members Kim Williams, Shawn McDonough, Theresa Woodworth and

Cont'd

Kelly Squires for their hard work in helping students meet Adequate Yearly Progress last year (a year after being named to the Schools In Need of Improvement List by the State). Ralph stated we will need to accomplish this status again this year so that Gardner Road Elementary School can be removed from the List. Ralph is very excited and proud of this accomplishment.

- Senior Philip Patterson on earning semi-finalist status in the National Merit Scholarship Program and Seniors Abigail Braiman and Danielle Burgess on receiving letters of commendation from the Program. Ralph is very proud of them.
- Becky Sell, a 1999 Graduate, whose photographs from the month she spent with Marine soldiers in Afghanistan were featured in the Washington Post, including on the front page. Ralph is very proud of this alumni of our District.
- Twenty-three bus drivers who will travel to Ithaca to attend a hands-on safety training class this Saturday, October 2<sup>nd</sup>. Ralph stated these drivers are doing this on their own time. Ralph is impressed with their commitment to our students.
- The Ridge Road Grade 4 Car Wash that was held last Saturday and resulted in more than \$2500 for the Juvenile Diabetes Research Foundation. The students chose this Foundation because one of their classmates has juvenile diabetes. Ralph is very proud of these young students.
- Senior Kendall Harter who attended the National Student Leadership Conference in Indianapolis in July. Ralph is very proud of her.

## **Presentations**

### **External Audit Report(ending June 30, 2010)**

Gerald Archibald of the District's External Audit Firm, the Bonadio Group, reported on the 2009-2010 External Audit. He explained that the District received an "unqualified opinion," which is the highest rating in accepted accounting principles and means that the District is in sound financial condition. Gerald did identify concerns with year-end projections, noting that there was a project error in Fiscal Year 2010. He stressed that the District must do a better job identifying deficit and surplus amounts. He also said the District should show better documentation of the disposal of capital assets such as old equipment.

Gerald stated there was a surplus of \$564,000 based on audited financial statements for the June 30, 2010 fiscal year. He reviewed the Management Letter which includes an overview of the previous year's recommendations. The following three recommendations were recommended regarding the project error in the Fiscal 2010 General Fund Operating results and year-end audit adjustments: 1. Additional people resources with the necessary expertise and experience in school district finances and accounting should be identified to take primary responsibility for these very important areas, 2. During the annual budget process and development of projected financial results for the District

Cont'd

General Fund the Board should consider whether a third party independent review of the projected financial results and budget assumptions would be appropriate to mitigate the risk of similar errors occurring in the future and 3. The District Board and Administration may want to consider contracting with GST BOCES for additional people resources in this area.

Gerald stated the full forty-nine pages of financial statements were reviewed in detail with the Audit Committee. An overview of the Financial Statements consists of: At the year-end, the District had \$26.7 million in general obligation bonds outstanding and Factors bearing on the future of the District consists of: 1. Health Insurance, Retirement and other post-retirement costs will continue to increase and could potentially affect the District Financial Health, 2. Expected deficits in both the Federal and New York State government finances could reduce future funding availability to the Districts and affect its financial health.

President Brian Lynch thanked Gerald for a very thorough report and for working with the Audit Committee the last couple of months in the completion of the report in a timely fashion so that it can be submitted to the State.

#### **Transportation System**

Supervisor of Transportation Ella Preston reported on the new transportation software, noting that it is going well. She said the software provides many options that allow the Department to maximize their routes and resources. Some of the options include different ways to redistrict the boundaries of the elementary schools, plotting the distance and travel time of each student from their home to school, etc. Ella stated she is currently working on the Special Education student's routes. She also noted that the new software will merge with the new student information program(from SASI to School Tool) as well. Ella stated she completed Kindergarten Orientation today. She is very impressed with the Kindergarteners' behavior and knowledge of bus safety and routines. President Brian Lynch thanked Ella for a very thorough report.

#### **Student Services Report**

Director of Student Services Kim Williams, along with Assistant Director Shawn McDonough and CPSE/CSE Chairperson Theresa Woodworth and Kelly Squires presented the Student Services Annual Report. Kim stated that last year the District completed its first year of having two CSE Chairpersons conducting business in all seven buildings. She also stated that this year we were able to reduce the number of one-on-one aides which resulted in an increase of independence for five students. Part of the reason for this is that once students arrive at the higher level they want to be more independent and no longer want the services of a one-on-one aide following them throughout the day. Kim stated that the declassification of 15:1 is at the highest rate it has been in five years. Kim reviewed the future of where she sees the District going. She stated the Staff is using Curriculum Based Measurement(PROBE). Some teachers are using this tool weekly while others are using it every two weeks. Teachers are

Cont'd

not waiting until the end of the marking period to see how the students are doing. Every special education teacher has been trained with AIMS which is now being used to meet the students' needs. She is starting to hold conversations monthly with an Open Forum with the staff to review successes and areas that need to be improved.

Assistant Director of Student Services Shawn McDonough gave an overview of the BOCES programs, management focus and work with our staff and BOCES staff to try and help the students graduate in a four year program like their peers. He stated the numbers are getting less and less which is one of the major goals. Last year one of the students graduated with a Regents diploma; a few others graduated with a Locals diploma. The goal of all the CSE Chairs is to have the students in the least restrictive environment. We want the students back in their home school. Shawn has been visiting other districts that have been very successful in doing this to see what has made them successful. He is looking at the best practices they use and bringing the knowledge back to our staff.

CSE Chair 6-12 Kelly Squires stated that supports are in place to give the students what they need, even if they no longer need an IEP but do need the extra support. Some students do not need to have the traditional goals. There is going to be a pilot of five students in the spring to see if they will be successful using the General Education model. The goals will look more like the General Education students' curriculum which is what we are striving for. We are trying to find opportunities for the kids we have brought back to the District. We are working to place the students into local businesses so that they will have vocational business opportunities.

CSE Chair P-5 Theresa Woodworth stated one of her goals is in reading—an Intensive Reading Instruction using formative assessments. She stated she is looking at setting up Literacy Centers in all the Special Education classrooms. Theresa presented the Board with a copy of an Occupational Therapy, Physical Therapy and Speech brochure that has been developed. She reviewed the transition from Pre-School to Kindergarten and how she works with the county on this transition to ensure that it is a smooth transition.

Board Member Mary Anne Holleran expressed her thanks and appreciation of moving the students into the least restrictive environment. Board President Brian Lynch thanked Kim and her staff for presenting a very thorough report. He also thanked Shawn for taking the initiative to check out other schools and sharing their best practices with our staff. Brian inquired as to the state average which Kim will provide the Board with at a future meeting. Shawn stated the numbers will be compiled on the BEDS form and will be available after October 7<sup>th</sup>. The numbers fluctuate. Superintendent Ralph Marino thanked Kim and her staff for presenting an excellent report.

**Superintendent's Report**

**Resolution Eliminating Pre-K Through Grade 6 "Perfect Attendance" Procedure**

Moved by Brinthaupt, seconded by Apgar.

RESOLVED, that the Horseheads Central School District Board of Education approves the elimination of the Pre-K through Grade 6 "Perfect Attendance" procedure beginning July 1, 2011.

<u>Ayes</u>	<u>Noes</u>	<u>Abstained</u>	<u>Absent</u>

 Strollo

**MOTION CARRIED**

Superintendent Ralph Marino stated it was recommended by the Board's Outcomes and Assessment Committee and supported by the District's Physician, Dr. Ken Sobel, and the New York State Health Department to eliminate the PreK-6 Perfect Attendance Procedure. The District urges parents to keep their children at home when they are ill in order to avoid the spread of illnesses in school. So to also have a Perfect Attendance Policy gives mixed messages to parents and students.

**Revised Strategic Plan Implementation Team Roster**

Moved by Apgar, seconded by Holleran.

RESOLVED, that the Horseheads Central School District Board of Education approves the revised Strategic Plan Implementation Team Roster.

**MOTION CARRIED**

Superintendent Ralph Marino presented the revised Strategic Plan Implementation Team Roster to the Board for Board action. Ralph stated that there was a typo, "Lisa Barnstead" should be listed instead of "Lisa Comer."

**Update on District Initiatives**

Superintendent Ralph Marino updated the Board on the various initiatives across the District including: The Chemung County School Readiness Project and the strong connection it has between the family and the school. The District has been a partner with it since 2005. The Full-Day Pre-Kindergarten Pilot(3 classrooms) started September 1, 2007. This year one classroom moved from Center Street to Ridge Road School. Ralph is hoping that in the future if funds become available a class will be at Gardner Road School. Ralph stated the Conversion process for the Student Management Software System from SASI to School Tool Program began on July 1, 2010 and will be fully implemented July 1, 2011.

**President's Report**

**Revised 2010-2011 List of Board of Education Sub-Committee/Liaison**

Moved by Apgar, seconded by Brinhaupt.

RESOLVED, that the Horseheads Central School District Board of Education approves the revised 2010-2011 list of Board of Education Sub-Committee/Liaison as submitted.

**MOTION CARRIED**

Board President Brian Lynch brought the election of Rose Apgar as the Voting Delegate for the 2010 NYSSBA Annual Meeting on October 23, 2010 to the Board for Board action. President Brian Lynch stated that Rose will also be going as a representative as the BOCES Delegate so there will be no expense to the District.

**Assistant Superintendent's Report**

**Summer Learning Academy Update**

Intermediate School Teacher and Summer Learning Academy Coordinator Michael Bostwick reported on the Program. Funded by federal grant monies, the Program served some 100 K-6 students at Gardner Road Elementary School, Monday to Thursday mornings, 8:00 AM – 11:00 AM. Eleven teachers and a nurse made up the staff. Students qualified for the Program based on teacher recommendation and Academic Intervention Services. The goals were to work on skill deficiencies in reading, writing and mathematics and to decrease summer learning loss. Results from this first year showed 75% of the students remained at the same level, with 65% showing improvement in at least one of the assessed areas. Parents surveyed at the end of the summer gave the program high marks, with 96% who strongly agreed or agreed that the extra help was beneficial to their children and offered a good balance of academic skills and fun. Some 98% said that their children liked the learning activities and enjoyed their experience. Superintendent Alice Learn stated that these students will be tracked for three years to see if their participation in this program will show

Cont'd

positive results. Alice stated that Michael Bostwick deserves a lot of credit for the success of this Program as he took charge and created it in a very short amount of time.

Board Member Mary Holleran stated that having been involved in summer school programs as a teacher these statistics and community feedback from the parents are amazing. The feedback speaks realms of what this Program has accomplished. This Program not only has a positive affect on the student's academic learning but also on their self-esteem. She stated it should continue to be offered yearly if possible.

Vice-President Michael Buck stated it is great how this Program helped identify a problem with our students and offer a solution, a way to continue their learning over the summer. Michael liked the fact that these students will be tracked and how the strategy that was used in this program had an impact on the students and their learning. Assistant Superintendent Alice Learn stated this is a work in progress and the Learning Tool will be administered three times this year to chart the students' progress.

Board President Brian Lynch thanked Alice and Michael for presenting a very thorough, informative report and for providing our students with a wonderful opportunity to continue their learning over the summer in a very enjoyable way.

**Strategic Plan Implementation Team Update**

Assistant Superintendent Alice Learn stated all three study groups have been initiated and invitations have gone out to fill them. She is hoping to have them up and working soon. An overview of our Summer Team summer work will be presented to the Board. Schools are currently building their aligned Site Plans and determining Site Specific Indicators for certain Strategic Intentions. Penny Ciaburri gave an overview of the work that was done over the summer and Heather Gillette shared with the Implementation Team the Middle School's Site Team Action Plan. Kim Malone shared with the Implementation Team Gardner Road's Site Team Action Plan. Center Street, the Intermediate School and High School will share their Site Team Action Plans at the October meeting and Ridge Road and Big Flats will share their Site Team Action Plans at the November meeting

**School Business Administrator's Report**

**Claims Auditor Report(June, July, August)**

Moved by Lively, seconded by Holleran.

Board Member Mark Brinthaup brought recommendations from the Human Resources Sub-Committee to the Board for Board action. Mark stated it should be noted that Larry Caldwell, who is in his 15<sup>th</sup> year with the District, will retire as a Technology teacher, effective September 9, 2010. Larry will be sorely missed by staff and students. Vice-President Michael Buck asked if the Board could be provided with an Annual Report from the Mentoring Program. Assistant Superintendent Alice Learn stated that the Mentee/Mentors are given a survey to complete each year which she will share with the Board. Board Member John Lively inquired as to the status of the Stipends. He thought that they were going to be eliminated and yet the Board was presented with a list to approve. Superintendent Ralph Marino stated that the stipends of those who retired were the stipend positions that were eliminated. Ralph will provide the Board with this list.

**Contract Ratifications**

Moved by Strollo, seconded by Holleran.

RESOLVED that the Horseheads Central School District Board of Education ratify and affirm the Tentative Agreement between the Horseheads Central School District and the Exempt Confidential Secretaries. This will be a two year agreement effective July 1, 2010 and running through June 30, 2012.

**MOTION CARRIED**

Board Member Mark Brinthaup brought the Tentative Agreement between the Horseheads Central School District and the Exempt Confidential Secretaries to the Board for Board ratification. He stated this is a two year contract that will become effective July 1, 2010 and will run through June 30, 2012. Board Vice-President Michael Buck stated this is great to see another Contract resolved and that the Board is moving towards the completion of one of its goals.

**Director of Student Services Report**

**District Plan for Special Education**

Moved by Strollo, seconded by Apgar.

RESOLVED that the Horseheads Central School District Board of Education approves the District Plan for Special Education as submitted.

**MOTION CARRIED**

Director of Student Services Kim Williams presented the District Plan for Special Education to the Board for Board action. Kim stated that this Plan is Part 200 of the Commissioner’s Regulations that requires districts to submit District Plans every two years. She stated that it is the philosophy of the Horseheads Central School District to provide appropriate educational programs and services in regular school settings with non-disabled peers near the student’s home whenever possible. Kim reviewed the descriptions and nature of programs for disabled students, the nature and scope of current preschool programs and services for ages 3 to 4 years, the methods of program evaluations, Board of Education Policies and Practices and BOCES Operated Special Education Programs/Spaces.

**Student Representative’s Report**

**Update on High School Activities**

Superintendent Ralph Marino presented Student Representative Daniel Stack’s High School report due to Daniel’s absence due to an athletic event. He reported on Freshman First Day which went very well, Spirit Week which had many, many students participate in the different themes, Homecoming went well with a variety of music played by the DJ, Senior Magazine Sales(goal of \$122,000), Junior Candle Sales and Upcoming Events, including the ECOS Club’s E-scrap Drive on October 23<sup>rd</sup>, from 11:00 AM – 2:00 PM. Board Member John Lively inquired as to the target of the monetary goal of the Sr. Class and how it is significantly less than last year and the fact that the students do not have to raise as much money as in the past. Superintendent Ralph Marino will find out what last year’s goal was.

**Legislative Liaison Report**

**Discussion of NYSSBA’s Proposed 2010 ByLaw Amendments and Resolutions**

Board Member Rose Apgar presented the Proposed 2010 ByLaw Amendments and Resolutions to the Board for information only. Rose stated she hasn’t heard from the other twenty-one school districts about what they were going to do other than accept the amendments as recommended. She stated occasionally there may be a debate on an item that was not recommended that will be brought to the floor. There does not seem to be any real discussions other than to accept the amendments as received by the Committee.

Cont’d

**Report from the Visitation Committee**

**District Tour of September 1, 2010**

Chair Rose Apgar reported on the District Tour that occurred on September 1, 2010. She stated a furnace was installed at the Field House and that there were no Capital Projects completed this summer. Regular maintenance work was performed throughout the District. The buildings look really great for the students' and staffs' return.

**Report from the Audit Committee**

**Meetings of September 2 and 14, 2010**

Chair Pam Strollo reported on the Audit Committee Meetings of September 2<sup>nd</sup> and 14<sup>th</sup>. Pam stated at the September 2<sup>nd</sup> meeting the Bonadio Group walked through the preliminary Schedule of Adjustments for the fiscal year ending June 30, 2010. At the September 14<sup>th</sup> meeting the Committee reviewed the District's External Audit.

**Report from the Finance Committee**

**Meeting of September 9, 2010**

Board President Brian Lynch reported on the September 9, 2010 Finance Committee Meeting. He stated that the reports that were presented by Business Administrator Michael Stuart under Agenda Item 10 were discussed along with the June 17<sup>th</sup> Finance Committee Meeting Recap, Board of Education Financial Reports as of September 20, 2010, Chemung Canal Charge for Tax Collection, Transportation Study, Current Tax Certioraris, Project Fund Balance, Revenue History and Estimate 2011-2012 and 2010-2011 Finance Committee Goals. Board Vice-President Michael Buck stated that there are many members who are concerned with the Current Tax Certioraris and the list of ten pending Tax Certioraris which have been filed over the summer of 2010. A Committee member expressed concern over the requested assessment reduction with some as high as 75%. The possible tax loss to the District is \$668k. The Committee members will request that our school attorney express our concerns through briefs and hearings. Business Administrator Michael Stuart said he will look into this. Superintendent Ralph Marino will ask Jim Young to report on this.

**Report from the Outcomes and Assessment Committee**

**Meeting of September 9, 2010**

Vice-President Michael Buck reported on the Outcomes and Assessment Meeting of September 9, 2010, at which time the following topics were discussed: the Elimination of the Pre-K through Grade 6 Perfect Attendance procedure, the Title I Corrective Action Plan, June/August 2010 Regents Results, 2010 Spring AP Results, Grade 3-8 Assessment Schedule/Scoring for 2010-2011, Grade 3-8 ELA/Math Results, Gardner Road School Improvement Planning Update, Language Arts Program Update, Summer 2010 Curriculum Work Summary, Strategic Plan Implementation Team Update, Summer Learning Academy Update and Outcomes and Assessment Meeting Schedule for 2010-2011.

**Report from the Planning and Development Committee**

**Meeting of September 14, 2010**

Chair Mary Anne Holleran reported on the September 14, 2010 meeting of the Planning and Development Committee. Mary Anne gave an update on the Strategic Plan, reviewed the 2010-2011 Board of Education District Goals and set Committee Goals for 2010-2011.

**Report from the Human Resources Committee**

**Meetings of August 23 and September 15, 2010**

Chair Mark Brinthaup reported on the August 23<sup>rd</sup> and September 15<sup>th</sup> meetings of the Human Resources Committee. He stated that the goals for 2010-2011 were established, Human Resources Recommendations for August 26<sup>th</sup> Board of Education Meeting were reviewed, Mrs. Christiansen updated the Committee on negotiations and reminded the Committee that she would update the full Board on August 26, 2010, different options for the Health Insurance, including fully-funded plans were reviewed.

**Report from the Policy Referral/Review Committee**

**Meeting of September 8, 2010**

Chair Rose Apgar stated there weren't any presentations at this meeting, however, the policies below were discussed.

**Newly Required Board Policy 4321.9: Availability of Alternative Format Instructional Materials for Students with Disabilities**
