

Encl. #7.6
August 25, 2011

RESOLVED, that the Horseheads Central School District is currently in collective negotiations with the Horseheads Administrators' Association and the Horseheads Teachers' Association to implement a new performance evaluation system for principals and teachers consistent with New York Educational Law 3012 for the new Annual Professional Performance Review (APPR) System. Once the two APPR documents are completed, the Board of Education will review them and take action on them. The documents will then be posted on the District's web site.
