**President's Remarks**

Board President Brian Lynch welcomed everyone to tonight's meeting. He stated that the Board looks forward to traveling to the various schools and seeing all the positive things that are occurring. It's nice to read about it in the newspaper, but it's even better to hear and see it first-hand.

**Agenda Changes**

Board President Brian Lynch stated there will be an Executive Session directly after tonight's Regular Session to approve CSE/CPSE/504 recommendations, discuss the employment history of three particular individuals and to assess the Superintendent's Mid-Year Performance Review.

**Questions and Comments from the Public**

There were no Questions or Comments from the Public.

### **Awards, Honors and Recognition**

Superintendent Dr. Ralph Marino recognized the following honors and achievements:

- Senior Paarth Shah who has been selected to serve as one of two student delegates from New York at the 50<sup>th</sup> Anniversary US Senate Youth Program in Washington DC in March. He has also earned a \$5,000 scholarship. Ralph is very proud of him.
- At the end of November, ninety-seven percent of the students at the Intermediate School have signed Anti-Bullying Pledges. The fifth-grade has one-hundred percent signed. This is very impressive.
- Grade 5 Teacher Janet Nykiel was featured in the December 9<sup>th</sup> Corning Leader Teacher Profile. High School Special Education Teacher Danielle Dunn was featured in November. Ralph is very proud of them.
- Gardner Road staff donated two overflowing boxes of toys to Toys for Tots. Ralph is very appreciative of the staff for participating in this.
- Several schools(Ridge Road, Gardner Road, Center Street, Middle School Student Council and the High School Interact Club) and PTOs are ringing the Salvation Army Red Kettle Bell and wrapping gifts at Barnes and Noble this holiday season. Interact members are also wrapping gifts for the American Cancer Society, packing gifts for the Arctic League and packing food at the Food Bank. Ralph is very appreciative of their community spirit.
- Bryce Derick who is a fifth grader at the Intermediate School participated in the Junior Olympics in the Cross Country competition in South Carolina this past weekend. Ralph is very proud of him.
- The New York State School Music Association sent Dr. Marino two letters congratulating High School and Middle School music students on achieving NYSSMA's highest accomplishment by being selected for festivals. The following was mentioned in the letters, "The students selected from your school are considered the best in New York," wrote Zone 15 Representative John David Vona. Ralph stated this is very impressive.
- District Staff donated nearly \$9,400 to the United Way this year. Ralph stated this was \$400 higher than last year. He is very appreciative of all the employees who participated.
- Middle School students and staff raised \$954 for flood victims in Owego. Middle and Intermediate School students and staff raised nearly \$900 for the Heavenly Hats Foundation. Ralph is very appreciative of the students and staff.
- Eight of ten fall sports teams earned the New York State Scholar Athlete Team Award: Boys Golf, Girls Cross Country, Boys Cross Country, Girls Volleyball, Girls Soccer, Football, Girls Swimming and Diving and Girls Tennis. To qualify, a team must have a required number of student athletes maintain a 90% or higher average throughout the athletic season. Ralph is very proud of these student athletes.
- Penn State University announced Wednesday that Senior Shannon Good has signed to attend the school next fall. She will play softball for the Nittany Lions. Ralph is very proud of her.

Cont'd

- Eleven students on the Horseheads Thrashers Swim Club earned the highest cumulative points and the small team first place trophy in the second annual Cranberry Classic Swim Invitational at Chenango Forks on November 26<sup>th</sup>: Connor Anderson, Jared Anderson, Zach Campbell, Hannah Chisholm, Hannah Ike, Trey Ike, Elise Keister, Nicole Walrath, Kaelan Winkky, Keagen Winkky and Kenyon Winkky. Ralph is very proud of them.
- Craig Learn, Class of 2006, has had his story published in the current edition of Chicken Soup for the Soul. It's called "Don't Treat Me Differently" and talks about living with cerebral palsy. Craig describes being bullied in school, going through occupational therapy, learning to overcome his disability, playing on the baseball team and earning degrees in communications and journalism, something doctors said he would never do. He also mentions finding a mentor in the Intermediate School Physical Education Teacher Chris Honness. "He made gym class and sports fun for me," Craig said. "He made me into a good soccer player and significantly changed my life." Craig's aunt is Assistant Superintendent Alice Learn.

### **Presentations**

#### **Gardner Road School Presentation: "We Succeed Because the Stars Lead"**

Principal Ron Holloway welcomed the Board of Education and guests to tonight's meeting and presentations. Gardner Road students from WGRNews provided the Board with an official welcome through the use of the media. Gardner Road Elementary School staff members shared information on the school in their report, "We Succeed Because the Stars Lead." They described several programs including WGRNews, Artsonia, Banana Splits, FOSS(Full Option Science System), Junior Achievement, Corrective Reading, the Chemung River Project and various community service projects. They also shared photos from various activities including Apple Day, Reading Buddies and Recycling. Staff members also shared data on achievement and information on community relations

Social Work Assistant Mikki Norton reported on the Banana Splits Program. Mikki stated that the students meet in a Peer Support Group during their lunch hour so that it does not impact their school academics. During this time they exchange thoughts and feelings about events that are occurring in their life. The best aspect of this Program is that the kids find out that they are not alone, there are other kids who are going through similar situations. Through this Program, the kids receive a lot of support and comfort from their peers.

Second Grade Teacher Liz Bostwick reported on the FOSS(Full Option Science System) Program that is being taught in the second and third grade classrooms. Liz stated this Program is primarily a hands-on program. Hands-on-Activities consist of using all the five senses with ELA being embedded in all aspects of FOSS. Students have improved in reading, writing and have learned new math skills through this Program. FOSS gives the students the ability to take reading

and learning and put them into problem solving skills that impact their daily life. Examples of this are seen in the Apple Day Program that is done in second grade where the students create an apple from a seed(Johnny Apple Seed), graph the results of the growth of the apple and compare it to the size of other fruits.

Second Grade Teacher Michelle Tillinghast reported on the partnership Gardner Road School has with Jr. Achievement. Michelle stated that working members from the community come into the classrooms to help prepare students for the 21<sup>st</sup> Century and how to make informed decisions regarding Bullying.

Special Education Teacher Stephanie Boyle reported on the SRA and Reading Mastery Programs. Kindergarten Teacher Jill Darmstadt reported on the STAR Student of the Month and the Reading Buddies Program. The Reading Buddies Programs partners the older students with the younger students to work on improving the students' accuracy and fluency in reading.

Fourth Grade Teacher Kristy Shutter reported on the Chemung County River Project. This Program involves all subject areas, cross-curricular, and brings in members from community agencies such as Tanglewood to work with the students.

Gardner Road Elementary School also provides Community Service in many ways including collecting items for the flood victims in September, donating apples from the School's Apple Tree to the Food Bank, setting up the Gardner Road Giving Tree with Hats and Gloves in November and December and participating in the Ringing of the Salvation Army Bell. Gardner Road also has formed relationships with many community groups such as STAR Readers, RSVP, Room Moms, Jerlando's, Jr. Achievement and the Horseheads Youth Bureau.

Principal Ron Holloway stated the PTO is very, very active and brings a very positive experience to the students through the various activities they sponsor. Their support is overwhelming. Ron also commended Physical Education Teacher Steve Monks and Librarian Lynne Munson for their continual support of combining the school's academic curriculum into their teaching. The School's Site-Based Team is very involved with the Artsonia Program, supports the Green Effort through Recycling in the Cafeteria and 21<sup>st</sup> Century Learning.

Principal Ron Holloway highlighted some of the challenges the staff faces such as SINI Status, Budget Constraints, the fact that the 2005 Standards will no longer exist next year and a Shift in Resources. Ron stated the staff is working extremely hard looking at data and determining the specific student needs that need to be met in order to take the school off the list. He stated budget constraints consist of class size, combined programs, reduced resources, a shift in standards and assessments and a shift in resources("Treasures Program").

Cont'd

Due to the fact that the 2005 Standards will no longer exist next year, we will not know what the future tests will look like or know the expectations in advance in order to provide students with accurate preparation for these tests.

Board President Brian Lynch thanked Principal Ron Holloway and the Gardner Road staff and PTO for an excellent presentation. Brian stated the students did a great job presenting WGRNews. It was a very enjoyable newscast. Brian stated it is really neat to see the various ways the school is implementing computers into their learning and the ways FOSS is being incorporated into the curriculum. The growth in the numbers in the area of Reading Comprehension is unbelievable. Also, the community tie the school has with Jr. Achievement is an excellent way to teach the students life skills and expose them to the community. Reading Buddies is a very valuable program for both the younger students and the older ones. Brian stated he realizes that the school is facing challenges due to economic hardship, however, the way the school staff has chosen to overcome these challenges is commendable. Brian stated it is great to see the students learning and at the same time enjoying the valuable lessons they are being taught through the various events and activities that are being sponsored by the PTO and the Gardner Road staff.

Board Member Warren Conklin thanked Principal Ron Holloway and the staff for hosting them on Friday during the Board tour. It was an excellent tour and enjoyed by all who attended. Warren stated the Citizenship Program the school has is an excellent Program that demonstrates a lot of positive behavior from the students. Warren was also impressed with the vision of the Garden in the Courtyards. It is an outstanding addition to the science program. It was evident that the staff truly cares about the building and the students which reflect a high opinion in the school community.

#### **Gardner Road Elementary School PTO Update**

PTO Representative Michelle Noe presented the Board with an update from the PTO. Michelle stated that the PTO sponsors a large number of programs/activities/events for the school community such as the Fall Festival, Ice Cream Social, Field Trips, STAR Bucks and Family Fun Nights. The PTO supports the staff financially throughout the year on an as-needed basis. This past year the PTO purchased a Projector System for the school.

Board President Brian Lynch thanked the PTO for their commitment to the school staff, students and community. The number of hours the PTO puts in at the school and being able to raise \$11,000 to purchase a Projector System for the school is very, very impressive. He thanked the PTO for their continual support and commitment to the staff and students at Gardner Road Elementary School. Their fundraising efforts are to be commended. They do a wonderful job with the many programs and events that they sponsor on behalf of the school.

**MOTION CARRIED**

Superintendent Dr. Ralph Marino brought a change to the 2010-2011 School Calendar: One-Half Superintendent’s Conference Day for All Students on December 12, 2011, to the Board for Board action. Ralph stated that he apologizes for the timing of this request, however; he was trying to work around the number of days until the December Board Meeting and gathering information to present. Board Vice-President Dr. Michael Buck stated he understands the time constraints concerning the approval of this item, however, he wondered what would happen if the Board voted, “No,” not to grant this request? Mike inquired if the District was exposed to any liabilities due to sending the students home early on a day that wasn’t previously approved by the Board? Also, how would the insurance be affected if something had happened to a student due to a student being bussed home at a different time? Board Vice-President Dr. Michael Buck encouraged the Board to vote “No.’ Dr. Marino stated the District has insurance around the clock(24/7) so the students would be covered at all times. Dr. Marino stated this would be the same if the students left early due to inclement weather. Board President Brian Lynch stated the parents received an auto-call and an email in advance informing them of this change in the school calendar.

**Report from Mary Anne Holleran Regarding the October NYSSBA Convention and Annual Business Meeting**

Board Member Mary Anne Holleran reported on the October NYSSBA Convention and Annual Business Meeting. Mary Anne thanked the District and Board for allowing her to attend this meeting and thanked Rose Apgar for allowing her to share her hotel room which resulted in no cost to the District. Mary Anne stated that she attended many seminars including Creating Tomorrow's Leaders Today which was a wonderful seminar with speakers who were very inspirational. Mary Anne stated that the seminars she attended related to Collaborative Staff Decisions Within the District, Development of a Common Curriculum, Shared Summer School Programs, Development of Common Assessments, Using Stakeholders to Drive School Improvement, Bully's Beware(Cyberbullies) and Teacher Rounds(Collaboration to Improve Teacher Effectiveness). Mary Anne also attended the Annual Business Meeting. She stated two resolutions did not pass including Performance Pay for Teachers.

Board President Brian Lynch thanked Mary Anne for representing the Board at this convention and providing the Board with a very thorough report.

**Assistant Superintendent's Report**

**Implementation Team Update**

Assistant Superintendent Alice Learn provided the Board with an update from the Implementation Team. Alice stated that Assistant Director of Student Services Shawn McDonough presented the Board with an update of the Team's progress at the October Board Meeting. At that time the Board proposed a word change which the Team is currently working on. It will be brought back to the Outcomes and Assessment Committee. Based on concerns that were received from the community regarding the Community Survey, a Sub-Committee has been formed to look at the Survey that was done last year. I will research it and redesign it. The Implementation Team will provide the Sub-Committee with a timeline and will report back to the Board at a future date. Alice also stated the meeting agendas and minutes are available on the district web site.

Acting School Business Administrator Dr. Ralph Marino brought the approval of the 2012-2013 Initial Request for BOCES Services to the Board for Board action. Board Member Warren Conklin inquired as to why some of the requests say 2012-2013 and the amounts are higher than in the previous contract. Dr. Marino stated this is the first step so that BOCES can begin the process. There may be an additional rate which makes the figures higher due to the BOCES planning process. Basically, we have to go high as it is based on what we think without knowing what our State Aid will be or tax caps will be. We will refine this as we go forward. We still have until May 1<sup>st</sup> to finalize it.

Board Vice-President Dr. Michael Buck stated that on the second Resolution, the word "Treasurers" should be "Treasures." He also inquired if there should be consistency in the reason for the "Rationale" for the transfers so that there would be consistency in this process. Dr. Marino stated the first request is for various technology related purchases through the BOCES CoSer605. The other two were to cover the costs of textbooks per request of the District. By approving these requests the District is able to capitalize on it through BOCES monies.

Acting School Business Administrator Dr. Ralph Marino brought Capital Project Resolutions to the Board for Board action. Ralph stated that the majority of this work will be done over the summer. It was approved by the voters in May and also includes the appropriation of \$800,000. Board Member Vice-President Dr. Michael Buck inquired if there is a way to use the financial planning information so that it can be recognized years out. There is a lot of great information about our buildings and grounds that would be very beneficial when planning the District's future expenses. Director of Facilities Jay Hillman stated this is what is used when the Five-Year Plan was developed. We take out one year at a time and work off from a priority list.

Director of Human Resources Judy Christiansen brought the Tentative Agreement between the District and the Horseheads Central School District Transportation Unit to the Board for Board action. Judy stated this Contract is similar to the other Contracts that have been previously approved by the Board and will include the removal of the Insurance Caps. However, there is a difference in this Contract as this Unit had the Medical Reimbursement Account(MRA) and the Attendance Incentive which it will no longer have. Also this Unit decided to go with a 10-Step Schedule to equalize out the schedule. Judy stated this Contract will be retroactive back to 2010 and will carry through until 2014.

There wasn't a report.

**Report from the Visitation Committee**

Chair Warren Conklin reported on the December 9, 2011 visitation of Gardner Road Elementary School. Warren stated he gave a brief report earlier in the meeting regarding the visit under Gardner Road's Presentation. He stated the building is in excellent condition. The broilers will be eliminated with smaller, more efficient ones being installed. This will allow for more storage space.

**Report from the Athletic and Extra-Curricular Committee**

There wasn't a report.

**Report from the Audit Committee**

Chair Pam Strollo reported on the December 1, 2011, meeting of the Audit Committee. Pam stated that earlier tonight the Board approved four Corrective Action Plans related to the External Audit: Management Letter, Extra-Classroom Activity Funds, Financial Statements and the Single Audit Report that were discussed at the meeting.

**Review of the Finance Committee**

Chair Jim Jacobus reported on the December 5, 2011, meeting of the Finance Committee. He stated all of the items that were presented earlier tonight under the Acting School Business Administrator's Report were discussed. The Committee also discussed how to handle complaints regarding Tax Payments and referred it to the Policy Committee. The possibility of a Budget Forum was discussed without any action being taken. Jim stated that the Committee discussed Financial Planning and Development regarding Strategic Intents and reviewed the Key Initiatives Summary. Superintendent Dr. Ralph Marino will work on editing it in light of the Tax Cap. The Committee also looked at items that are impacting the 2012-2013 Budget. The next meeting will be held on January 17, 2012.

**Report from the Outcomes and Assessment Committee**

Chair Mary Anne Holleran reported on the December 6, 2011, meeting of the Outcomes and Assessment Committee. Mary Anne stated the Committee heard updates regarding the SINI, Strategic Planning Implementation, APPR, RTTT and Treasures. District Math Results were tabled until January.

**Report from the Planning and Development Committee**

Chair John Lively reported on the November 15, 2011, meeting of the Planning and Development Committee. The Committee heard an Update on the Strategic Plan Implementation Team Activities and discussed Ideas for the January 12<sup>th</sup> Board Mid-Year Retreat and began to work on the Committee's Goals.

**Report from the Human Resources Committee**

Chair Mark Brinthaupt stated the Human Resources Recommendations that were presented to the Board for approval tonight were discussed at the December 7<sup>th</sup> meeting. The Committee also discussed the Tentative Agreement between the Transportation Department and HTA. Mark stated that Director of Human Resources Judy Christiansen provided the Committee with a list of all Contracts that are still open. The Committee discussed negotiations for those Units which will open in 2012. Mrs. Christiansen updated the Committee on the APPR discussions and reviewed the changes that were presented earlier tonight for Board approval.

**Report from the Policy Referral/Review Committee**

**Current and Proposed Replacement Policy 4741: Class Ranking**

Chair Ruth Miller provided the Board with the first reading of the Current and Proposed Replacement Policy 4741: Class Ranking. Ruth stated that High School Principal Karen Donahue explained the changes to the Committee.

Board President Brian Lynch inquired if the date in the first paragraph should be Class of “2012”, not “2010”. High school Principal Karen Donahue stated this is correct as the original started in 2010. This is a re-write, the system did not change. It is still the same. This re-write is a better way of explaining Class Ranking. It is strictly for clarification purposes. Brian also inquired regarding students who move into the area, how does this affect a student’s mandatory attendance for eight semesters, four full years of High School? Karen stated the student does not have to have eight semesters of High School in the normal time frame of four years.

Board Vice-President Dr. Michael Buck inquired as to the three potential weights. Does it refer to the credit for each course and if so, how do you reach the overall grade? Principal Karen Donahue stated it is a running total. The transcripts add to the running totals which are calculated at the end of each semester.

**Proposed Changes to Current Board Policy 5420: Student Health Services**

Chair Ruth Miller provided the Board with the first reading of Proposed Changes to Current Board Policy 5420: Student Health Services. Ruth stated that new language under “Management of Injury” has been added to the Policy. Board Member Warren Conklin inquired as to who determines the medical clearance for the student that is referred to on Page 3 of the Policy. Director of Human Resources stated that it is typically from the doctor.

**Questions and Comments from Board Members**

Board President Brian Lynch reminded the Board the Board Mid-Year Retreat will be on January 12<sup>th</sup>, from 4:00 PM – 8:00 PM in the Multi-Media Center.
