RE: Everyday English

English Language Arts teachers, Cynthia DeRichie and Melissa Squiers, would like to offer Everyday English, a program for the limited English speaking parents of our immigrant students.

Everyday English will be a class that teaches practical English in both a classroom setting and while interacting in places throughout the Horseheads Community. Use of the acclaimed Rosetta Stone[®] software will also be included in the class activities.

The eight (8) week program is planned for July 10 – August 2, 2012 (1:00 – 3:00pm) at the Horseheads Intermediate School.

This program will be free to participants and is financially supported, totally by Title III, a federal grant.
