

Encl. #6  
August 13, 2012

Be it RESOLVED, that the Horseheads Board of Education approves payment to our current Construction Manager, Watchdog Building Partners LLC, in the amount of \$3,365.00, which is in excess of the \$25,000 contract amount for the 2010-11 Capital Projects. The excess cost is a result of the emergency asbestos abatement done in the High School North bathroom in February 2012.
