2012-13 BOARD/DISTRICT GOALS

The Board of Education embraces the importance of short-term and long-term strategic planning in relation to Character Education/Wellness, Student Achievement, Community Relations/Partnerships, Buildings/Facilities, Financial Planning/Development, and Professional Development/District Culture. Our district has made a significant investment in this model of planning and development for all facets of the operation. We encourage our staff and community members to visit the district's website (www.horseheadsdistrict.com) for more information on the 10-Year Strategic Plan and Implementation Team. Below are the Board of Education's goals for the school district for the 2012 -2013 school year. Some of the goals may be specific to certain stakeholder groups.
