Re: Bid Approval – School Year 2013-2014

The GST BOCES Food Service Management Program has just received the approval of the GST BOCES Board of Education to seek bids for the 2013-2014 school year. Included in the bidding are grocery, produce, paper, equipment and chemical products. Also included are milk, ice cream and bread for the following school year. We do a total of 13 separate bids throughout the year. Awards are made to the lowest bidder who meets our specifications.

The GST BOCES Food Service Management Program will then do the advertising of these bids for all districts.

At this time we are notifying all participating districts that they can now seek board approval for the entire process of participation in the BOCES bids. This includes the local approval of participation in the BOCES bid as well the approval of awards. We recommend that you seek approval of all bids at this time, as one unit, based on the recommendations of the working committee. Attached is a resolution that you can use to do this.

Once you have received approval would you please return the resolution to me. Thank you for your assistance.
