**President's Remarks**

Board President Brian Lynch welcomed everyone to tonight's meeting and stated, "The Board is back home again as we have made our circuit around the other schools." Brian stated traveling to the various schools throughout the District and hearing their presentations is the highlights of the Board meeting. Brian stated the Board is looking forwards to tonight's presentation from the High School. Brian stated that Board Member Warren Conklin was unable to attend tonight's meeting. Brian reviewed the procedures for the Questions and Comments section and reminded those present to please state their name and address before making any comments. Additionally, he reminded the Public that this is the only time for them to voice their concerns or make comments during the meeting and if possible to limit their comments to two minutes each to ensure that everyone has the opportunity to speak.

### **Agenda Changes**

Board President Brian Lynch stated there are no Agenda Changes, however, there will be an Executive Session directly after tonight's Regular Session to approve CSE/CPSE/504 recommendations and to review the Superintendent's Evaluation and Employment Agreement.

### **Questions and Comments from the Public**

There were no Questions or Comments from the Public.

### **Awards, Honors and Recognition**

Superintendent Dr. Ralph Marino recognized the following honors and achievements:

- Senior Sean Bassler is the winner of a National Merit Scholarship funded by Corning Incorporated. He plans to attend the University of Scranton next year. Ralph is very proud of Sean.
- Seniors Kristy Grannis and Justin Earnest are the 2013 recipients of the Polly Sanders Scholarship through the Chemung County Youth Bureau. They will be honored at the Youth Bureau's Annual Awards Ceremony on April 23<sup>rd</sup>. Ralph stated this is very impressive.
- The High School's Everyday Heroes for 2013 are Chad Conley, Aaron Kelly, Amber Mattice, Frankie Palmer and Shawna Rorie. The five were nominated by staff members for this regional program sponsored by First Heritage Federal Credit Union and WENY TV. Ralph is very proud of them.
- Juniors Sophia He, Benjamin Morse, Alexandria Stryker and Carrie Wang have met the requirements for the 2014 National Merit Scholarship Program; placing them among the 50,000 highest-scoring participants of some 1.5 million students who took the 2012 Preliminary Scholastic Aptitude Test/National Merit Scholarship Qualifying Test. Ralph stated this is very impressive.
- Amanda Schiefen has been named All Leader Player of the Year. She and Jen Chalk were named to the All Leader First Team and Ellie Leszyk, Marlea Nolan and Tess Wicks were named to the Second Team.
- High School Students of the Month for April are: 9<sup>th</sup> Grade: Mitchell Blaszyk, Caitlin Knoll, Kohdy Martin, Greyden Peterson, 10<sup>th</sup> Grade: Katherine Estep, Desiree Forsyth, Kayla Mitchell, Brian Perez, 11<sup>th</sup> Grade: Mia Bottcher, Alix Branchi, Courtney Matthews, Erin Strollo and 12<sup>th</sup> Grade: Matthew Honness, Aaron Kelly, Kyle McAlinn and Shawna Rorie. Ralph stated the character Trait was Responsibility.
- District Administration and all of the schools raised \$1,027 for the Coaches vs. Cancer "Suits and Sneakers" fundraiser that was held on March 22<sup>nd</sup>. This was the highest amount raised in the American Cancer Society's Eastern Region, which includes Chemung, Tioga and Broome counties.
- The Girls Varsity Lacrosse Team played their game on April 16<sup>th</sup> for Coaches vs. Cancer. They played in memory of a parent and in honor of three parents battling cancer. Ralph stated he is very proud of the girls' compassionate spirit.

- Thirty-seven High School Band and Vocal Students participated in the New York State School Music Association(NYSSMA) Festival on April 19<sup>th</sup> and 20<sup>th</sup> at Bradford Central School. Each student presented scales, a major solo and music they had never seen before for a grade and a score. The following students earned perfect scores of 100 on their evaluations on the most difficult level of music: Patrick Leslie, alto saxophone; Tyler Struble, Tenor 1 vocal; and Nicole Walrath, flute. Ralph is very proud of these students.
- High School students fared well at the Health Occupational Students of America(HOSA) Spring Leadership Conference. First place winners in various events include Kaleigh Buffington, Kathleen Caroscio, Natalie Good, Cooper Rohan, Jennifer Chalk, Hunter Hoobler, Jililan Van Brunt, Kathryn Collins, Celina Rodrigues, Megan Walker, Mike Cantando, Abigail Clark, Jennifer Clark and Samantha Owen. Amber Jacobson was a recipient of the HOSA Achievement Award. Ralph stated this is very impressive.
- Junior Lacrosse Player Jordan Gush is the WENY Athlete of the Week. He scored ten goals and had four assists in two games last week. Ralph stated this is very impressive.
- The High School received a note of thanks from Newtown, CT. "Your messages and drawings give us strength and courage as we heal," the note read." "Thank you for caring." Ralph stated he is very impressed with our High School Students reaching out towards the students in Newtown.
- Big Flats Teacher Lisa Comer has qualified for the World Championships of the Half Ironman Competition, a 70.3 swim/bike/running race. She qualified by placing fourth out of hundreds of competitors in her age group in a New Hampshire race last year. The World Championships are in September in Nevada. Ralph stated this is very impressive.
- The Horseheads Fire Department and Friends of the St. Patrick's Day Parade sent a note of thanks to the District, thanking Ridge Road students, staff and parents and the High School Marching Band for participating in the parade. Ralph stated he is very proud of our staff and students' community spirit.

## **Presentations**

### **High School Presentation: "Skills for the 21<sup>st</sup> Century"**

High School Principal Karen Donahue stated that it gives her great pleasure to be back here presenting to the Board once again. Karen stated it is an honor to be here to showcase the High School and this year it gives her great pleasure to say there is a contingent of staff and students who will present to the Board tonight. Jamy Brice-Hyde, our Site Team Co-Facilitator, was unable to attend tonight. However, Joe McMullen is here to present with the kids. Karen stressed that it is really important for the Board to see what they have been working on this year and the importance of how the High School's goals align with the District's goals. The Site Based Team's work has been developed by some of the Action Plans. Karen stated she is very proud of the steps that we have taken which have had a powerful impact on the staff and the students. The 21<sup>st</sup> Century Skills are the result of a Book Study that the Site Team did. Jason Neubauer presented an overview of Ian Jukes' "Understanding the Digital Generation." The Site Team studied the fluencies Jukes outlined—solution fluency, information fluency, creativity fluency, collaboration fluency and

Cont'd

media fluency. These ideas were then shared with the entire faculty, asking for examples of how these fluencies are demonstrated in their classrooms. Jason stated that after the Site Team studied these fluencies they took the initiative to share them with all staff district-wide by placing them on the “J Drive”.

Science Teacher Dan Delorme presented an overview of “Solution Fluency” which consists of defining the problem, looking at the present state and the current status, what things could look like and where it would get us. Overall, the students will resolve the issues through investigation. Dan stated that it is important for the students not to let their creativity be constrained while solving the problem.

Social Studies Teacher (AP World History) Melissa Giblin presented an overview of “Information Fluency” and how it was used during Regional National History Day Competition which is recognized nationwide. Melissa stated the students worked on a three-month long project that involved research base on a yearly theme. There were checkpoints throughout and the project was entered in the Regional Competition. Melissa stated that Daniel Anderson took 2<sup>nd</sup> place in his presentation of the “Act of Violence,” an individual documentary and Caitlyn Kearney-First Place, Group Documentary; Melissa stated the best part of History Day is the students create everything themselves. They will now go on to State Competition at Cooperstown on Monday.

Social Studies Teacher Bryan Yarrington presented “Collaboration Fluency” which addresses the Common Core emphasis on the ability of the students working together effectively in a real and virtual setting. Cooperative Learning occurs daily in the classrooms throughout the High School community. It is a skill that is becoming more important in the 21<sup>st</sup> Century than ever before. The students were able to express this in a news article they wrote on the Great Depression. The students created the article through research, headlines and editing. Each student in the group was given a position such as the researcher, headline writer, writer and editor and worked collaboratively to create the article.

Social Studies Teacher Joe McMillen presented “Media Fluency” which teaches students how to effectively produce media in the 21<sup>st</sup> Century and how to adept to whatever comes around. Joe stated the students use a variety of different media sources and materials in a variety of different ways. They use reputable sources that are valuable and will help them to produce a valuable piece of work. The students are learning to possess skills to identify reputable media sources.

High School Principal Karen Donahue stated that our teachers and students are working diligently as they move forward as we are getting them ready for college, careers and life as they look at different venues to get them to become life-long learners. Karen stated she is very proud of the student work that was presented tonight and very thankful for the staff, parents and students for coming out tonight. Karen stated they are all 10<sup>th</sup> grade students but the work they presented tonight could be at the 12<sup>th</sup> grade level if not college level.

Cont'd

Karen stated it is also important to acknowledge the High School student's culture is made up of the 6 Character Education Traits that were developed over the summer. The Student of the Month is a very successful program that spread very quickly throughout the High School. The Faculty response has been overwhelming. Not only do the students contribute to the school community but also to the Horseheads community as firefighters, camp counselors, volunteers in the church and also helping other students in the classroom. Recognition goes beyond their academic accomplishments so that we are able to get to know our kids on a personal level. The students are very excited about being named as Student of the Month and look forwards to the nomination. Not only are the students nominated by their peers and teachers but also through their own self-nomination.

Board President Brian Lynch thanked Principal Karen Donahue, the staff and the students for a spectacular presentation and thanked them for aligning it to the Board goals. The Student of the Month Program is an excellent idea. It is really beneficial to honor and recognize students for doing the right thing. Dissecting the Book Study into the different fluencies was great. The kids did an amazing job presenting. Their creativity was very impressive and could definitely be college material. It was very dynamic to see the ever-changing society that we live in and how the High School staff is incorporating media into the 21<sup>st</sup> Century. Brian stated it is also outstanding that the students will be competing at the State Level.

Board Vice-President Pam Strollo stated this was an incredible presentation and that Principal Karen Donahue and the staff should be very proud of the students. She encouraged the staff and the students to continue the creativity that was shown tonight. She thanked all the faculty members for participating in the Book Study, taking it apart and bringing it the kids.

Board Member Doug Johnson also thanked the High School staff and students for an amazing presentation. Doug stated that he really appreciates all the work the staff does at the High School for the students and it really showed tonight in the presentation.

Board Member Dr. Michael Buck inquired as to how many of the students bring mobile devices or laptops to school. High School Principal Karen Donahue stated that from the student survey that was completed out of 1,100 students 700 have cell phones that are Smart Phones that have the data packages. Dr. Buck stated that we have a Board Policy that prevents the usage of cell phones in school which means that this Policy sounds as though it runs controversial to the 21<sup>st</sup> Century Learning Skills. Therefore, Dr. Buck is challenging the students to rewrite the Policy and bring it back to the Board. Dr. Buck stated that he is struggling with this Policy because we are turning off the most powerful devices these students have access to.

High School Principal Karen Donahue stated that the High School allows the students to have them but not during their classes, however, there are some teachers who will allow them to use them during instructional time if they are being used academically. If the students are doing collaborative work, they are able to use them to share with the other students if they are involved in a project together. It is our future; it is the student's world in which they live. Karen stated she has seen a huge change of how instruction is taught in the classroom since she first became Principal of the High School.

Board Member Ruth Miller stated that this was an amazing presentation and the technology that the students have available to them is invaluable and she really hopes that the technology is used appropriately. She expressed her appreciation to the teachers for having the creativity to take their teaching to the 21<sup>st</sup> Century. She thanked Principal Karen Donahue and the staff for their efforts, time and dedication to the students.

**Report from the Visitation Sub-Committee**

**April 19, 2013, Visit of the High School**

Board Member Rose Apgar reported on the March 22, 2013, visit to the High School. Rose stated that we didn't do a formal walkthrough of the High School. Instead we had a very lengthy discussion of what needs to be done at the High School and what has been done. Rose stated that the High School still has the original windows in the Wrestling Room. The boilers in the South Wing have been replaced from three to two. The High School Parking Lot is in the worst shape in the entire District. The cost to take it down completely to repair it would be close to \$500,000. On the South Wing there are things that immediately need to be done including the Parking Lot, some interior work includes the obsolete phone system that went out during storm.

Board Member Mark Brinthaup stated that if the parking lot is taken all the way to the ground then the monies would be state aidable. Rose stated this is correct as long as it is dug up completely.

Board President Brian Lynch thanked Rose for an excellent and interesting report and for providing the Board with the information packet on the school.
