

## 2013-2014 Strategic Intent/Key initiatives for Site Based Plans

### Character Education & Wellness

#### Strategic Intent #1 – Key Initiative #2

“We will develop a District Wide Character Education Program to support the character traits identified that is age appropriate and grade specific.”

#### Strategic Intent #1 – Key Initiative #5

“We will clearly and frequently communicate to students, parents and the greater community the character learning occurring in our schools.”

#### Strategic Intent #1 – Key Initiative #10

“We will look at ways to empower students to make positive life choices.”

### Student Achievement

#### Strategic Intent #1 – Key Initiative #4

“By the end of grade 3, we will ensure that all students will be on grade level or have demonstrated significant literacy and written expression gains as supported by the data.”

#### Strategic Intent #1 – Key Initiative #5

“We will ensure that literacy skills are integrated in all content areas, grade Pre K-12.”

#### Strategic Intent #1 – Key Initiative #6

“We will ensure that instruction is differentiated from grade K-12 in all content areas.”

#### Strategic Intent #2 – Key Initiative #1

“We will identify and integrate into instruction and assessment 21<sup>st</sup> Century Learning Fluencies in grades Pre K-12.”
