

Section IV
Application for Team of One

End. 7.4
March 26, 2015

Occasionally a district will have a student athlete that has developed an interest and sufficient skill to compete in a sport not offered by the school district. A district may elect to petition Section IV for a Team of One in the particular sport. Please fill out the information requested by Section IV for consideration.

Civic Center Box 7
Sidney, NY 13838
Fax#: 607-561-2344

Please remember to consider items such as transportation to and from practice and contests. It is also imperative that schools competing against a district that is hosting a Team of One be notified by either the host AD or the Team of One AD that such a student-athlete will be participation. This is especially important in keeping track of the number of contests our athletes may participate in. Once approved, the Executive Director will notify the Student-Athlete's school, the host school, the league(s) involved and the respective Section IV Sport Coordinator. Teams of One do not impact calculations for determining classifications.

TO: Mike Ginalski, Superintendent
C-PP Board of Education

FROM: William Pierce, Director of Athletics

DATE: February 16, 2015

RE: Team of One/Emily Cunningham

Emily Cunningham is a student athlete in the C-PP School District who has developed an interest and sufficient skill to compete in Girls Golf, which is not offered by our school district. C-PP School District may elect to petition Section IV for a Team of One in the particular sport.

I have been in detailed communication with Horseheads Central School District representatives and the mother of Emily Cunningham. Horseheads has graciously agreed to approve Emily to participate as a representative of C-PP School District at all Girls Golf activities. Bonnie Brutsman (mother) has agreed to be responsible for any and all transportation needs associated with Emily's practices and contests related to Girls Golf.

I am requesting BOE approval for Emily Cunningham to participate as a representative of C-PP School District in Girls Golf with Horseheads Central School District as a Team of One.
