Re: Proposal for 2015 Asphalt Pavement Upgrades

Dear Mike:

Hunt Engineers, Architects & Land Surveyors, P.C. (HUNT) is pleased to provide this proposal for the 2015 asphalt pavement upgrades for the location west of the maintenance building at the High School property. This proposal will provide an engineering assessment of current pavement conditions and design for new improvements for an anticipated budget of \$180,000. The below scope of services outlines our understanding.

I. Scope of Services

Horseheads CSD desires to assess the current condition of the asphalt pavement and existing traffic circulation patterns at the High School located at the northwest parking lot near the maintenance facility building. Previous meetings indicated the desire to improve the asphalt pavement and circulation between the maintenance storage buildings and the elimination of three container storage units. In addition the asphalt pavement located just west of the maintenance facility is in disrepair and is also proposed for replacement. The anticipated construction cost for the proposed work is \$180,000 and shall be substantially complete by June 30, 2015. Hunt anticipates the scope of work be completed within a one month period and require two bi-weekly job meetings.

Survey	\$ 3,100.00
Asphalt Pavement and Circulation Assessment	\$ 400.00
Construction Drawings and Specifications	<u>\$ 11,000.00</u>
Total	\$ 14,500.00

II. Items Specifically Excluded

- A. Destructive Testing.
- B. Hazardous/contaminated material evaluation or remediation.
- C. SWPPP (Storm Water Pollution Prevention Plan)
- D. Bidding Services - It is anticipated Horseheads CSD will secure installation contractor through County Bid pricing (bid pricing and installation).

III. Compensation

Project-related disbursements such as photo copies and mileage are not included in these fees and will be billed at current standard rates. If you have any questions or comments, feel free to call me at 607-358-1044. If this proposal is acceptable to you please sign below.

Sincerely,

HUNT ENGINEERS, ARCHITECTS & LAND SURVEYORS, PC
