Dear Katy:

Earlier this month, I spoke with Michael G. Hrankiwskyj, Esq., of Cullen and Dykman, LLP, counsel for Millennium Pipeline Company, LLC ("Millennium") in the above-referenced proceedings in which Millennium challenged its special franchise assessments for the years 2010/2011 through 2014/2015. Mr. Hrankiwskyj informed me that all of the above-referenced proceedings settled under terms that do not require the payment of any refunds.

Please do not hesitate to contact me if you have any questions.

Sincerely,

Megan K. Collins
