President's Remarks

Board President Brian Lynch thanked everyone for being in attendance tonight at the last meeting of the school year. Brian stated that Horseheads lost a very special person, Brendan McCarthy, Special Education Teacher at the High School, on June 14th, after a courageous battle with ALS. Brian stated he will truly be missed and opened the meeting with a moment of silence. Brian reviewed the procedures for the Questions and Comments Section and reminded the Public to state their full name and address before commenting.

Agenda Changes

Questions and Comments from the Public

He wants the Board and the public to understand the sense of pride, and reiterated the ideas of what we could do as we move forward. Damian presented the Board with a sample of a new Horseheads Stadium that would be visible from I86 and stated what a great billboard of advertisement it would be for everyone passing by as they would see this incredible stadium. Damian stated there would be four locker rooms with a legal 8-lane track so we could hold state tournaments and events which would also help the economy in the area as teams would stay at hotels and eat at local

restaurants. Damian stated we need to prioritize and re-boost ourselves, we are the best academic schools around here which our numbers from January show and now it is time to start screaming with pride.

Jim stated that tonight we had 40 items on the agenda that identified various finances of the School District and noted that we did not have this type of transparency until Dr Marino arrived in the District. Dr. Marino brought a great deal of transparency to our District in the area of finances under his leadership that this District has never had before. Jim stated that we also came up with the Budget Workshops and the entire Board was given the opportunity to give input for the development of the Budget, whereas, back in the early day we did not have the opportunity to do this or input in the five-year budget. Jim stated that he really appreciates what Dr. Marino has brought to the District.
