Subject: NYC Itinerary -Adjusted

Hi Michael,

I haven't heard back from you, I'm hoping you received my e-mails (?), but I went ahead and priced the tour without including the coach and using a New Jersey located hotel. Please read on for the specifications! Keep in mind this tour includes one free spot for chaperones (in twin accommodation) for every ten paying travelers in the price. The price we present you with **will not change** unless you make changes to your itinerary. We don't incur an "adult" charge, we don't require a membership fee to travel, and we won't raise our price upon your agreement of the itinerary.

Let me know what you think when you get a chance. I would love to work with you and make your tour exactly to your specifications!

Katie

Six Hours with a licensed NYC Tour Guide

-Statue of Liberty

The Statue of Liberty was a gift of international friendship from the people of France to the people of the United States. It is one of the most universal symbols of political freedom and democracy. The views of the Statue from the water are breathtaking and reminiscent of what immigrants first saw entering NY Harbor.

-Ellis Island

Ellis Island opened in 1892, and was the entry point for European immigrants for more than sixty years.

Twelve million people passed through the halls that are now the historical Ellis Island Immigration Museum. Walk through the Great Hall as the new Americans once did — ancestors of more than half of the U.S. population. Students can search for their family surname on the American Immigrant wall of Honor®. With over 600,000 entries, it is the longest wall of names in the world.
