Presentations

Food Service Operation

Director of Food Service David Kabel introduced Joe Kilmer(a graduate of the Horseheads Central School District) who will be joining the Food Service Team on Monday morning and will officially take over upon David’s retirement in November. David noted the Goal of the Food Service Program is to provide the School District with a comprehensive Food Service Program that manages the complex systems associated with running the National School Breakfast and Lunch Programs. David noted that financial pressures have been significant, however, we work with the School District Administrators to continue to meet their goals and remain current with State and Federal Law related to school meals.

David reviewed the Key Points of the Food Service Operation including the Regional Meal Price Comparison, Increase of Meal Prices, the 2015-2016 Budget(including deficits), Staffing, Recommendations to cover the 2015-2016 Deficit, 2016-2017 Budget Options and Meal Price Considerations(Price Increase, Elementary - \$2.10, Secondary - \$2.35, Breakfast - \$1.25 and a la carte - \$.75 and 3.1% fee for use of PaySchools) including Free/Reduced Lunch.

David reviewed the 2015-2016 Budget stating there is a Budget Deficit of \$57,000, noting that staffing changes amount to approximately \$25,000, making the Budget Loss at \$27,000. He reviewed the 2015-2016 actual budget noting that Cash Sales has increased(over \$59,000 amount budgeted), however, the Reimbursement Sales has decreased. David noted that Salaries are \$12,000 over budget and food is under with an actual loss of \$31,000. David noted some recommendations to cover the Budget Deficit include an increase in the Meal Charges and a 3.1% Convenience Fee of the use of PaySchools. David noted that 10% of students purchase breakfast, 21% of students receive Free/Reduced Lunch and a total of \$320,000 has been received through the use of PaySchools. He stated per Federal Regulations Paid Lunch Equity requires a \$.10 increase this year. After a thorough discussion by the Board and hearing an explanation of the 3.1% Convenience Fee for the use of PaySchools, the Board was in agreement that they would support the increase in the meal prices and the 3.1% Convenience Fee. Superintendent of Schools Dr. Thomas J. Douglas stated a Resolution will be brought to the Board at the August meeting for Board action.

Superintendent Report

Superintendent Report

Superintendent of Schools Dr. Thomas J. Douglas noted that earlier this evening before the start of the Board Meeting he had polled the Board regarding the conversion of the Board Packet from paper to computer. Dr. Douglas stated as we move forward in converting the Board Packet electronically he will work with Katy Buzzetti and Gregg Moyer to set up trainings, noting this won't officially occur until much later in the school year.

Dr. Douglas reviewed Ad Hoc Committees where members will be needed such as Finance Committee(2 members), Facilities and Grounds(2 members), which we will need as soon as possible because we will need to discuss protocols with our architectures, Implementation Team which is already in place, Warren Conklin and Pam Strollo are currently on it and will continue. Dr. Douglas noted that throughout the year one of the things we will be doing is to develop a Professional Development Committee across the District and stated he would like to have at least one Board Member serve as a liaison.

Dr. Douglas expressed his condolences to one of our educational families who had a tragic loss in their family and the Horseheads community this week.
