

## VENDING MACHINES

Vending machines that might compete with the school lunch program are prohibited on school property, **except in the following circumstances:**

1) ~~Vending machines are permitted~~ In faculty rooms as authorized by the school Building Principal;

2) ~~The Principal may also authorize vending machines~~ For after-school activities **as approved by the Building Principal**; however, separate authorization shall be required for each specific time and date.

3) **For activities as approved by the Superintendent**

~~Any other vending machine installation shall require the approval of the Superintendent of Schools.~~

**Education Law Section 915**

Approved: July 1, 2001
