President's Remarks

Board President Brian Lynch welcomed everyone to tonight's meeting. Board President Lynch stated that Vice-President Michael Buck is unable to attend tonight's meeting.

Agenda Changes

Board President Brian Lynch stated there will be an Executive Session directly after tonight's Regular Session to approve CSE/CPSE/504 recommendations, to discuss the Board of Education Self-Evaluation results and the employment history of three particular persons.

Questions and Comments from the Public

There were no Questions or Comments from the Public.

Awards, Honors and Recognition

Departing Board Members—Mary Anne Holleran and John Lively

Board President Brian Lynch thanked departing Board Members Mary Anne Holleran and John Lively for the three years of service they provided to the Board and the Horseheads' community. Brian stated they have done a terrific job representing the Board and will be missed. The Board donated two books to two elementary school's libraries of their choice in their honor.

Departing Student Representation to the Board—Kaitlyn O'Malley and Alternate Claire Blaney

Board President Brian Lynch presented certificates to Kaitlyn O'Malley, and alternate, Claire Blaney. Brian thanked them for working with and providing their service to the Board. Brian stated thanked Kaitlyn for her dedication to her position as a Student Representative, providing the Board with good input from the High School and for having a great sense of humor. Brian stated Claire, who was unable to attend tonight due to being in a HOSA Event in Florida, also did a great job as the Alternate Student Representative to the Board.

Introduction of 2012-2013 Student Representatives to the Board—Abigail Clark, Samantha Owen and Arianna Saptura

Board President Brian Lynch introduced and welcomed the 2012-2013 Student Representatives, Abigail Clark, and Co-Alternates, Samantha Owen and Arianna Saptura. Brian thanked them for agreeing to serve on the Board.

Superintendent Dr. Ralph Marino recognized the following honors and achievements:

- All the staff and students for all of their hard work this year and for a wonderful year.
- The twenty-six retirees who have a combined total of 544 years of service to the District. Thank you for your commitment to the Horseheads community. This is amazing.
- The Class of 2012 who has earned more than \$7.5 million in scholarships. On Saturday, 319 students will graduate from Horseheads High School.
- The 2012 Mark Twain Scholars from nine area high schools were honored June 13th. The 52 students represent the top 5% of our community's graduating classes. The Horseheads High School Mark Twain Scholars are Shaunak Amin, Courtney Bliler, Ian Boor, Jennifer Coble, Brian Crimmins, Matthew Eisner, Shannon Good, Rebecca Greenberg, Herve Guermeur, Nathaniel Heck, Morgan Mathews, Kelly McDarby, Alston Parker, Parth Shah, Thomas Welles and Logan Williamson. Ralph stated this is very impressive.
- Two Center Street Elementary students who won special awards at the Grade 3 and 4 award ceremony this past Thursday. Delaney Doubrava won the NYS Comptroller's award for academic excellence and civic commitment. Delaney was also awarded the Presidential Award for volunteer service.

Delaney has volunteered 160 hours at the Animal Shelter, Food Bank and in the School Cafeteria. Andrew Dolan won the New York State Attorney General's Triple C Award for commitment, character and courage. He was nominated by his teacher, Bob Bartley. Ralph is very proud of these students.

- Chad Lefkowitz-Brown, 2008 Horseheads Graduate, was honored in the New York State School Boards' Association publication, "On Board," (June 11th issue) in a new feature titled "Proud of Our Grads." Ralph stated Chad has made some wonderful accomplishments since leaving us.
- English as a Second Language Teacher Cynthia DeRiche has been awarded a fellowship from the US Department of State to participate in the 2012-2013 Thailand Educator Exchange Program. She will host an educator from Thailand in October, showing the educator our educational system, community and points of interest across the region. In the Summer of 2013, Cynthia will travel to Thailand for two weeks for the reciprocal component of this exchange. Ralph is very excited that Cynthia was selected for this amazing opportunity. This will benefit both Thailand and Horseheads as she will go there and share her knowledge of education with them and will return to Horseheads to share what she has learned while in Thailand with us.

Presentations

Data Center

Assistant Superintendent Alice Learn presented the Board with an update of the Data Center. Alice shared the past, present and future history of the Data Center. Alice stated it started three years ago when the Outcomes and Assessment Committee determined we needed to present the District's data to the outside world. With collaboration with Sue Pirozollo, Jay Hillman, Virginia Abrunzo and Dave Bates at BOCES, we were able to create the Data Center that we have today and are able to showcase what Horseheads has. Alice stated the website includes general and demographic data, such as enrollment and information on the District's academic performance on state assessments. Alice stated the information is taken directly from the New York State Education Department's Report Card for our school district. The District's performance is compared to the State and the Districts in our region. The Site includes three years of data, 2008-2009, 2009-2010 and 2010-2011. Alice stated there is also a "counter" on the Site which shows how many times it has been viewed.

Board President Brian Lynch thanked Alice for a very informative presentation. He stated Dave Bates and the members of the Outcomes and Assessment Committee have done a great job keeping the site up-to-date. Brian stated it is also nice to see the State comparison.

Student/Staff Health, Safety and Wellness

Director of Human Resources Judy Christiansen and Food Service Manager Freda Patterson reported on the District Health, Safety and Wellness Program for students and staff. Judy stated Board Policy 5405 covers student wellness and also includes nutrition, physical activity and other activities.

Cont'd

Food Service Manager Freda Patterson shared information on the work of the BOCES Food Service Program to continually improve the nutrition of school lunches. Freda stated that the District has to implement the new Healthy Hunger Free Kids Act Regulations in full by September 2012. She stated posters are visible at the start of the serving line in all the schools to help re-train staff and students of the items that consist of a healthy meal. Freda stated certain components have to be part of a student's lunch in order to qualify for reimbursement. She also stated that hummus will be slowly introduced this year to the students. Freda reviewed with the Board guidelines that Food Service has to follow per New York State regulations. She stated that Food Services has to submit a menu to New York State before school starts showing that we are following mandatory guidelines. For every healthy meal served the District receives 6 cents per meal which totals \$33,086 for the year. The Food Service Audit has also been changed to every three years now instead of every 5 years.

Director of Human Resources Judy Christiansen shared the basics of the Physical Education Program across grade levels, the Athletic Program and other activities and programs throughout the District. Judy stated the Physical Education Classes at the Elementary Level K-4 focus on students having fun and yet becoming aware of their gross motor skills, while in Physical Education Classes at the 5th – 6th grade level the students are working a lot more on fine motor skills, more team sports where students are very engaged. In Grades 7 and 8, the students begin to focus on life-long learning activities and also expand their growth of team sports. At the High School level, students are focusing on the completion of FITS which is a graduation requirement. Judy stated that there are other activities and programs that occur throughout the District such as Healthy Snacks at schools and Family Fun Nights, Morning Exercises on the Elementary Schools' TV Programs and Sensory/Motor Circuit. At the Middle School level, the 7th and 8th graders participate in Walk-A-Thons and "Stress-Free Friday" programs, along with nutrition information in Middle and High School Family and Consumer classes. At the High School level, students have the weight room, pool, track and fitness bikes available to them. Judy described various wellness activities that are available to staff district-wide including wellness information and recipes in the "To Your Health" newsletter that is published quarterly, local gym discounts at area health facilities and other health care information.

Board President Brian Lynch thanked Judy for presenting a very informative report. He also inquired if the changes that are being made at the state level regarding lunches could be sent to the parents before the start of the school year. Freda stated it will be put in each individual school newsletter, in the District newsletter and on the District and Food Services Websites.

President's Report

Interest in Serving on Board of Education Sub-Committees

Board President Brian Lynch asked the Board members to review Board Policy 2250—Board Committees and email either Cathy Knowles or Dr. Marino with your top four choices by next Friday, June 29th, so that this item can be brought to the Board at its July 12th meeting for Board action. Brian stated that Board Member Rose Apgar already gave him her choices.

Review of 2011-2012 Board of Education Goals

Board President Brian Lynch and the Board reviewed their 2011-2012 Board/District Goals. Brian stated Goal #1 continues to be tied in with the Strategic Plan via two members of the Planning and Development Committee. Goal #2--Student Achievement was delayed because we do not have the results yet. Goal #3—Financial Planning—the Board has been very proactive in the planning and development of the District's five-year and yearly budget. Dr. Marino has kept the Board very well informed of the financial soundness(current and future) of the District. Goal #4—Professional Development and District Culture—Brian stated we were a little deficient with this goal regarding attendance at NYSSBA Workshops and Conferences. However, Brian stated he will do a better job to inform everyone of future on-line workshops that may be offered. He also reminded the Board that 100% attendance is mandated for new Board members to attend the New Board Member Participation in "New School Board Member Academy" and mandated "Fiscal Oversight Training." Brian stated everyone attended the Annual and Mini-Board Retreats.

Review Draft of Proposed 2012-2013 Board of Education Goals

Board President Brian Lynch and the Board reviewed a draft of the proposed 2012-2013 Board/District Goals. Brian stated the same format was used for the 2012-2013 Goals as was used for the 2011-2012 Goals. Brian stated that Goal #1 will rollover with the final report on the year three progress being presented to the Board of Education at its' June 30, 2012 Board meeting. Goal #2—Student Achievement was revised due to changes at the State level. Goal #3—Financial Planning and Development—the date was pushed back to November 30, 2012, due to the District not receiving figures until late October. We will continue to strive to develop a voter approved 2013-2014 budget that maintains quality programming, while being fiscally responsible to the community. Long-Range Planning will be addressed in our retreat in August. Goal #4—Professional Development Plan. Brian will do a better job to inform Board Members of on-line workshops.

Board Member Jim Jacobus inquired regarding Goal #2—Student Achievement, how will the State increase help to our District so that we can be removed from the SINI status. Dr. Marino stated we do not know yet because the waiver was just issued. Director of Elementary Education Virginia Abrunzo stated that no one has been notified yet, but as soon as we receive the letter we will focus on what our priorities are which should be sometime in July.

Solicitation of Board of Education Member Names Who are Interested in Being Nominated for the Position of Board President and Board Vice-President

Board President Brian Lynch expressed his interest in the position of Board President again. Board Member Pam Stollo stated she would be interested in the position of Board Vice-President. Board Member Jim Jacobus stated he would be interested in the position of Board Vice-President if Dr. Buck isn't interested.

Assistant Superintendent Alice Learn brought the textbook recommendation for “Glencoe Math” (CCSS Edition, Course 2 and 3) for Grades 7 and 8 to the Board for Board action. Alice stated that this textbook follows the New York State Common Core standards. Director of Secondary Education Jay Hillman stated the teachers will have the benefit of using the textbook for one year to see if it is what they really need. Jay stated this is an excellent approach to use in the purchase of a textbook; basically the teachers are able to choose their planning based on this process. It gives some flexibility that we never really had in the past. There is also a huge on-line component available for the teachers and the students. The \$20.00 per book cost is also part of the on-line cost. Board Member Mary Anne Holleran stated it sounds like the teachers did a very complete and thorough approach in choosing this textbook and are very excited about this recommendation. It is very important knowing their perspective as they will be the ones using it.

Assistant Superintendent Alice Learn brought the suspension of Board of Education Policy 4511 to the Board for Board action. Cont’d

Moved by Brinthumb, seconded by Jacobus.

BE IT RESOLVED that the Horseheads Central School District Board of Education approve the full implementation of FOSS across all grade levels and classrooms for the purpose of continuity and equity and in the best interest of our students starting September 1, 2014.

The Horseheads Central School District has been actively participating in the regional Science, Technology, Engineering and Math(STEM) initiative since September of 2009. A major component of the initiative is the implementation and use of Full Option Science System(FOSS) for science instruction.

As of June, 2012, there are:

- 7 Grade 2 classrooms – Gardner Road(2), Center Street(1) and Big Flats(4),
- 3 Grade 3 classrooms – Gardner Road(2), Big Flats (1),
- 7 Grade 4 classrooms – Big Flats(3), Ridge Road(4),
- 5 Grade 6 classrooms – Intermediate School(All Students) .

Response to Intervention Update

Assistant Superintendent Alice Learn presented the Board with an update of the Response to Intervention. Alice stated according to Commissioners Regulations by July 1, 2012, all districts are required to have an RTI Program in place as part of the process to determine if a student in Grades K-4 is a student with a learning disability in the area of reading. Alice stated the District has had an RTI Task Force in place for several years, with a vision that all students in every classroom will be guaranteed curriculum and instruction that is differentiated to match their learning need. Alice described the three-tier approach and identified resources to support each tier of the Program. Alice stated it is a problem-solving approach to learning for all students. It is a Program that is very focused, proactive and targeted towards students' different learning abilities. It consists of three tiers which are Tier 1—Curriculum and Instruction all Students will receive, Tier 2—Students who need additional instruction and Tier 3—A few students who still really are not where they should be and may be referred for Special Education services. Resources to support the vision include Professional Development, Core Curriculum, Tier 1 Resources—Treasurers, Tier 2 Resources—Treasure Chest(Supplemental Treasurers) and Tier 3 Resources—Triumphs—a supplemental program to support those students. Alice stated that Director of Elementary Education Virginia Abrunzo has been a very valuable resource and driver behind this Program in the areas of both learning the program and working with the teachers. Board President Brian Lynch thanked Alice for a very informative update.
