Agenda Changes

Board President Pam Strollo welcomed everyone to tonight's meeting and stated the Board just came out of Executive Session so we will continue our regularly scheduled Business Meeting of the Board of Education. Pam stated there will be an Executive Session directly after the Board Meeting to discuss CSE/CPSE/504 Recommendations.

Community Questions and Comments

Board President Pam Strollo explained the procedures for the Questions and Comments Section for those who are new at tonight's meeting.

Laura Six, 1516 Twin Oaks Street, Horseheads, commented regarding the District's Transportation Policy for athletic events, specifically the requirement to request in writing 24 hours prior to an out-of-town game permission for the athlete to ride home with the parent. She stated she believes that if the parent takes the time to put a request in that should suffice the Policy without having to state the specific reason.

Student Representative Report

Student Representative Matthew Minor reported on various events and activities at the High School, including the District-Wide Unity Day that was held on October 19th. Matthew stated remaining activities in October include the concert on October 25th, Picture Retakes on October 27th, National Honor Society fundraiser begins, and Student Council Movie Night on October 28th. Matthew stated upcoming events in November include the Greenroom Players' presentation of "You're a Good Man, Charlie Brown" from November 3rd-5th, National Honor Society Induction on November 8th, Food Drive beginning November 14th, and Interact/Student Council Blood Drive on November 17th. Matt also reported on the upcoming State Marching Band Championships on October 30th and upcoming fall sports competitions, including sectional games for soccer, and four girls' tennis players advancing to the State Qualifier.

Presentations

Bus Driver Qualifications Review

Transportation Supervisor Pete Wilcox and Safety Examiner Rich Micelotta updated the Board on Qualifications needed to become a Bus Driver. Pete explained that the State School Transportation Standards are the strictest standards in the State, making New York State school buses the safest land transportation in the country.

Safety Examiner Rich presented the extensive training our Bus Drivers undergo, both before they ever transport students, and while they are employed, including all the refresher training they do, the many State requirements and even more trainings that the District requires. He reminded the Board that while our Bus Drivers are putting their skills to use driving the bus, they also have to keep an eye on the almost 65 students on their bus. Rich stated the initial training to become a Bus Driver starts with the person obtaining their CDL License and from there all mandatory training by the State and also the local school district. Rich noted that Pre-Trip Planning involves 600-1,000 miles that has to be completed before the test, 30-Hour Basic Bus Driver Training Course, 10-Hour Basic Attendant Training and also drivers need to know Section 19A of the Vehicle/Transportation Law before they are able to drive children. He stated that the recommendation is for a Bus Driver to scan the bus using the mirror above the windshield every 12 to 15 seconds. Rich also noted that Bus Drivers have a higher standard when it comes to driving records, noting that they are only allowed 9 points on their license, not 11, and for Pete and himself it is only 7.

Pete described the quality of our Bus Service Program, noting that the District's two full-time mechanics service each bus every thousand miles or 30 days. The bus inspection pass rate has continually been above 90%. He also described bus seating, noting the State says capacity for buses is 65 children or 43 adults and noted that the State says high school students are considered children. Pete stated each bus has seven camera heads and showed the Board photos of what each camera can capture and stated the length of time a video is retained depends upon which company is used, noting that when we switch, they will be in a solid state and will be kept for several months.

Board Member Brian Lynch thanked Pete and Rich for a great presentation, noting that the Board has been presented with many different aspects of Transportation in the past and this presentation was remarkable to see the training that a person needs to have in order to become a Bus Driver. Brian stated that as we travel throughout the District we do not need to worry about the safety of our children noting that they will arrive to school and home from school safely as they are in very capable hands. Brian thanked the Transportation Department and Drivers for doing a tremendous job.

Board President Pam Strollo echoed Brian's sentiments and stated she now has a much better understanding of the comprehensive training that is mandatory to become a Bus Driver. Pam thanked Pete for inviting the Board to attend the Driver Safety Awards which she has attended in the past and stated she is looking forwards to attending again.

Board Member David Sadler stated it was an excellent presentation and he is impressed with the level of safety training and the extensive knowledge that a person has to obtain to become a Bus Driver.

Board Member Karen Boulas stated that she appreciates the passion and expertise that goes into the training to become a Bus Driver.

Superintendent Report**Superintendent Report**

Superintendent of Schools Dr. Thomas J. Douglas stated this month's meeting was moved up a week earlier than our normal schedule mainly because of the NYSSBA's Convention and is also timely as it is School Board Recognition Week. Each Board Member was presented a small token (gift bag included small items from each school) of appreciation to thank them for everything they do and their commitment to the Horseheads Central School District. Dr. Douglas also thanked the Board for everything they do as they are helping to bring Horseheads even further ahead and making sure Horseheads is always prominent in the Southern Tier. Board President Pam Strollo thanked her fellow Board members for their service and commitment to the Horseheads Community.

Dr. Douglas presented an overview of the Horseheads 2030 Project noting one of the first steps in the Project is to enhance the education and infrastructure of the District, therefore, the Board will be presented later this evening with a recommendation to employ Hunt Engineers, Architects, and Surveyors as the District's architectural firm. The next steps will be to hire a construction management firm and begin discussions with all involved in our schools including staff, students, community, etc.

Board Report**President's Report****Resolution Approving NYSSBA's 2016 Proposed Bylaw Amendments and Resolutions In Accordance With NYSSBA's Recommendations, With the Exception Of Amendment A, Article 6; Amendment B, Article 8; and Resolution #2**

Moved by Dale, seconded by Lynch.

RESOLVED, that the Horseheads Central School District Board of Education approves the 2016 NYSSBA's proposed Bylaw Amendments and Resolutions in accordance with NYSSBA's recommendations as discussed at the September 29, 2016, Board of Education meeting, with the exception of:

- NYSSBA Amendment A—Article 6 on Page 6 of the NYSSBA Proposed Bylaw Amendments & Resolutions Booklet
- NYSSBA Amendment B—Article 8 on Page 7 of the NYSSBA Proposed Bylaw Amendments & Resolution Booklet
- NYSSBA Proposed Resolution #2 on Page 12 of the NYSSBA Proposed Bylaw Amendments & Resolution Booklet.

MOTION CARRIED

Board President Pam Strollo brought the approval of the Resolution approving NYSSBA's 2016 Proposed Bylaw Amendments and Resolutions In Accordance with NYSSBA's Recommendations, with the Exception of Amendment A, Article 6; Amendment B, Article 8; and Resolution #2 as submitted. Board Member Warren Conklin stated he will vote "No," because of the past Resolution the Board approved in November 2014. Warren stated he would like clarification regarding how long a Board Member has to support a Board Position once a new Board becomes in effect. Warren noted that his understanding of the training was that we have to support them into the future with no end date unless there is a new Resolution. Dr. Douglas stated he will look into this and will report back to the Board.

Chair Doug Johnson presented to the Board a first reading of Board of Education Policy 8650: School District Compliance With Copyright Law. Doug stated it will be brought to the Board for a second reading and Board action at the November Board Meeting.

Questions and Comments from Board Members

Board Member Daniel Christmas stated he is looking forwards to participating with his family at Make A Difference Day this Saturday and thanked the Character Education Committee, the staff, Sue Pirozzolo and everyone who worked so hard to make it happen.

Superintendent of Schools Dr. Thomas J. Douglas stated that it will be a very busy weekend in Horseheads this weekend celebrating Make A Difference Day with over 500 volunteers throughout the community, our Field Bands' last performance and Cheerleaders STAAC Competition at the Intermediate/Middle School Complex. Dr. Douglas acknowledged Assistant Football Coach and Physical Education Teacher George Gilbert who will be retiring at the end of the year after serving as a Coach for 30 years in the District and will be honored at his last home football game this Saturday, October 22nd.
